Dear Dr. Heumann:

Upon recommendation of Professor Lederberg, I am very happy to offer you a Honorary Fellowship in the Department of Genetics for the duration of your stay on our campus. This award carries no remuneration but does allow the recipient to use the facilities of the University for research purposes without formal registration.

When you arrive in Madison, please come to this office for your identification card.

I hope you will have a most profitable and interesting visit to our campus.

Very sincerely yours,

C. A. Elvehjem
